

PROJECT DISCLOSURE NOTICE

Project: *Georgia: Enhancing Early Warning Systems by Using Genomic Surveillance and One Health Approach (P511731)*

Financing: The Project will be financed through a grant from the Pandemic Prevention, Preparedness and Response (PPR) Trust Fund, administered by the International Bank for Reconstruction and Development (the Bank).

Development objective: The development objective of the *Georgia: Enhancing Early Warning Systems by Using Genomic Surveillance and One Health Approach* Project is to strengthen Georgia's capacity to implement a functional early warning system and an integrated disease and antimicrobial resistance surveillance system based on the One Health approach.

Beneficiary Institutions and implementing partners: Ministry of Internally Displaced Persons from Occupied Territories, Labour, Health and Social Affairs of Georgia (MoILHSA) and Ministry of Environmental Protection and Agriculture (MEPA), including the National Center for Disease Control (NCDC), the State Laboratory of Agriculture (SLA), and the National Food Agency (NFA).

The draft Environmental and Social Commitment Plan (ESCP) is hereby disclosed for public information and comments until July 13, 2026.

Please submit any comments or questions by e-mail, with the **Subject line:** “Comments on Draft ESCP – Project P511731”
